Peter Johnston, Founder and President

Peter Johnston founded Elite Energy Group in 2011, developing this start-up energy firm offering consulting, utility account audit, and supply procurement services into a thriving business serving more than a thousand commercial clients in the New York Metropolitan area.

A graduate of St. John's University with a Bachelor of Science in Accounting, he has also served as Sr. Vice President and Chief Operating Officer of EKA Planning, a Long Island, NY-based financial planning company that grew by an average of 20% annually from 2004 to 2010.

Albert Sasson, Operations
199 Jericho Turnpike; Suite 201
Floral Park, NY 11001

Albert Sasson, Operations

Albert Sasson, a graduate of the Brooklyn College in New York City with a BS in Business Accounting, joined Elite Energy Group Inc. in charge of Operations in 2011. Specializing in product development and positioning, he has an impressive record of achievement and accomplishments in expanding the revenue of sales and service organizations.

Prior to independently consulting organizations regarding energy and utility matters in 2009, he served as Executive Vice President of B & I Fender in Maspeth NY, for fifteen years, growing the Northeast's largest automotive aftermarket parts network.
